About the Program:	The Wellspring Center is a 16-bed crisis residential treatment (CRT) program in San Bernardino County, located in the city of Fontana. Wellspring Center aims to stabilize individuals in acute crises in order to eliminate or shorten the need for inpatient hospitalization. Wellspring Center will provide intensive and structured psychosocial recovery services 24/7 in a non-institutional, welcoming, safe, and respectful environment.

Wellspring Center is under contract with the San Bernardino County Department of Behavioral Health.
