About the Program:	<p>The Tesoro program has been designed to help individuals who are being discharged from an acute care facility and not connected to outpatient services successfully transition back into their community.</p> <p>Program services are provided by a multidisciplinary team of counselors, case managers, peer specialist, vocational specialists, housing specialist, nurses, and a substance use specialist. Our prescriber provides direct service to members with no community-based physician. Evidence-based services include mental health services, case management services, crisis intervention, medication support services, dual diagnosis assessment and treatment, housing, and employment supports in community settings.</p> <p>Our goal is to work with individuals to address current barriers so they can transition back into and achieve their goals in their community.</p> <p>Tesoro is under contract with San Diego County Behavioral Health Services and is funded by the County of San Diego.</p>
